

VALUE ADDED PACKAGE #1

NATURE AND GARDENING ELEMENTS

Components of Package:

Window Planter Panel

Magnifying Panel

Nature Hunt Panel

Two Small Garden Beds

Product Certification:

Description and Age Appropriateness of Components:

The Nature and Gardening Elements packages includes many science and learning possibilities.

- Children can plant seeds and watch them sprout and grow with the Window Planter Panel. This panel provides a wonderful opportunity to teach kids how to care for plants and flowers.
- The Magnifying Panel encourages exploration: kids will collect items from their play space (leaves, bugs), and examine them using the panels magnifying lens.
- The Nature Hunt Panel provides an opportunity to teach children about nature and science: Where do animals live?, What do they eat?, What do they look like?
- The Garden Beds introduce children to plants and gardening. Our beds come with two 3' GardenSoxx®, ready-to-plant, specially designed mesh “sock” filled with organic compost* (yard waste only). Introduces science and environmental studies, and the connection between the study of plants and core subjects like math, english, social studies and art. Also promotes promotes life skills including working together and sharing responsibilities. In addition, a free GardenSoxx programming guide is provided which includes 8 lesson plans with information on the lifecycle of plants, composting, environmental stewardship and more.
- All components are age appropriate for 3-5 years of age.

Garden Beds	2	ZZXX0437	312 lbs.
Challenger Posts	4	ZZCH0356	120 lbs.

Since 2005 as a part of our partnership with NHSA, Playworld Systems has provided value added support to NHSA including product discounting and a rebate program. Because product discounting for the NHSA Body Start program is so generous, we Playworld Systems, will not be able to combine both programs. Playworld Systems will operate each value added programs as independent contracts and contracts independent from each other.
