

VAP #6 NATURAL ACCESSORIES

Components of Package:

Set of 2 Garden Benches

Garden Arches

Product Certification:

Due to the Garden Benches and Garden Arches falling under the classification of Site Amenities, IPEMA certification is not required.

Description and Age Appropriateness of Components:

The Natural Accessories package includes:

- The Garden Benches have a curved design which may be used around a tree as a 'tree hugger'. This encourages socialization, quiet time and observation of nature.
- Build a shady tunnel for learning or imaginative tunnel exploration with the Garden Arches. Provides an opportunity to teach kids about plants and nature. Included with the Arches are: six 2' GardenSoxx® for the large arch, six 2' GardenSoxx® for the medium arch and two 2' & two 3' GardenSoxx® for the small arch. In addition, a free GardenSoxx® programming guide is provided which includes 8 lesson plans with information on the lifecycle of plants, composting, environmental stewardship and more.
- Both the Garden Bench and Garden Arches are appropriate for 3-5 years of age.

Safety Requirements:

- The Garden Bench and Garden Arches do not require a fall zone to do being site amenities.

Since 2005 as a part of our partnership with NHSA, Playworld Systems has provided value added support to NHSA including product discounting and a rebate program. Because product discounting for the NHSA Body Start program is so generous, we Playworld Systems, will not be able to combine both programs. Playworld Systems will operate each value added programs as independent contracts and contracts independent from each other.
